**ASTIVA**  
GLOBAL INDONESIA

## ABOUT COMPANY

PT Astiva Global Indonesia is an integrated agribusiness and commodity supply company based in East Java, Indonesia, connecting poultry operations, industrial food supply, and agro commodities through structured sourcing, quality handling, documentation, and practical supply-chain coordination.

## STRATEGIC DIRECTION

- **Produce & Source**  
Strengthening direct poultry operations and agricultural sourcing access.

- **Grade & Handle**  
Applying product-specific grading, post-harvest handling, and documentation discipline.

- **Coordinate Supply**  
Supporting recurring B2B requirements through structured delivery planning and responsive buyer coordination.

## BUSINESS PLATFORMS

### ASTIVA FARM

Commercial broiler chicken farming with disciplined operational management.

### FROZEN CHICKEN SUPPLY

Contract-based frozen chicken supply supported by cold-chain discipline.

### AGRO COMMODITIES

Tobacco, corn, Bondowoso Arabica coffee, and ginger under one stronger agro platform.
